

## [Delegation of Ataturk University Visited TUOMS](#)

The delegation of Erzurum Ataturk University (EAU) visited Tabriz University of Medical Sciences (TUOMS) on 15 November 2017.

In this visit Dr. Ömer Çomaklı, the EAU rector and two of his assistants, negotiated the terms of collaboration and signed an MOU in order to extend joint projects and academic and research exchanges.

Dr. Somi, the rector of TUOMS, also expressed his willingness to support any scientific project between the two parties and requested the authorities of both universities to plan for concrete actions.
