

[Ataturk University and TUOMS to Extend Mutual Collaborations](#)

Following the previous visit, a new delegation of Ataturk University of Erzurum visited Tabriz University of Medical Sciences on 5 March, 2018 and negotiated the terms of collaboration with the authorities of TUOMS.

Following the previous visit, a new delegation of Ataturk University of Erzurum visited Tabriz University of Medical Sciences on 5 March, 2018 and negotiated the terms of collaboration with the authorities of TUOMS.

The delegation visited the faculty of pharmacy and the dialysis ward of Imam Reza teaching hospital and negotiated over holding a joint international congress on pharmacology in two rounds both in Erzurum and Tabriz. The representatives of Ataturk University expressed their willingness to exchange academic staff and students in the fields of neurosurgery and all other disciplines.
