

Message of the Chancellor

I would like to welcome you to the website of Tabriz University of Medical Sciences (TUOMS) located in the beautiful and historic city of Tabriz, Iran. Tabriz University of Medical Sciences has been founded in 1947 and is the second oldest and largest medical university in Iran.

Enjoying knowledgeable academic staff and hardworking students, TUOMS is currently running 11 faculties and has got 9100 students studying in health-related fields including Medicine, Dentistry, Pharmacy, Public Health, Nursing, Midwifery, Rehabilitation and Health Administration. It also offers comprehensive residency and fellowship programs in clinical medicine and Dentistry. In 2013, TUOMS was among 6 top ranking Iranian universities of Medical Sciences. Recently, based on the ranking of webometrics database declared in July 2014 the university also leaped 425 steps among international universities.

We are looking forward to building an even brighter future.

Mohammad Hossein Somi
Chancellor
